How to keep in touch?

Why interns at the OAS?

Because the **Organization of American States (OAS)** is the main political forum of the Region that promotes and supports Democracy, Human Rights, Multi-dimensional Security and Integral Development in the Americas. The **OAS** seeks to prevent conflicts and to bring political stability, social inclusion and prosperity to the region through dialogue and collective action.

What can we offer you?

We offer you a unique opportunity to acquire experience in different areas of expertise, in an international and multicultural environment enhancing your networking possibilities.

In addition, you will have the chance to acquire significant knowledge of the **OAS**, its mission, pillars, structure and projects in the hemisphere.

Testimonials

"Having studied business and working from a MBA level background, the OAS Internship Program was a unique opportunity for me to transition to a career focusing on Latin America and international development. The program exceeded my expectations and I learned so much from the interactions with diverse and talented fellow interns as I did while fulfilling my day-to-day responsibilities at the office."
